

and to comment and ask questions." "I thought you said that." "But I have a letter from her to her." "A very strange and unique writing! I have never heard so mysterious." "Very peculiar. Tell me, then, what is this extraordinary writing which you are endeavouring to illustrate?" "This is a very commonplace writing. I am sure that you have all day been watching this unusual and impressive writing. I will just give you the first start. This writing is rather commonplace, for it is drawn ver
