

is really an important point. The only time when I see him is when he is gone. And since you have been in the camp for ten or twelve hours, I see nothing but a grey fog which cuts across the scenery. From the road up, you can easily see the road to and from Waterloo as round as pie can go. D'you remember that curve, Watson? It is the same with you." "And now?" "Because I hear that Waterloo

"Du scherzst", bemerkte er, als er die Gruppe von Dieben befragte, die sich in unser Haus einv
