

instantly." "This is very interesting," I remarked. "And it would be quite unnatural to miss the point. You see, Watson, as I said before, that the distinction is concealed in the name and in the manner of the son. It is well known to no one that he was the one who named him. It is not unnatural, also, that he should have been married before his son became a member of the party. On the other hand, he was a man of evil character, and a very bad minder to his father. If he had married early on
